

Annual Report

Audrey Trawick Youth Director

This past summer, I received updates from several dancers: Beret Dernbach told me about her many performances in the Royal Edinburgh Military Tattoo group; Brynn Brown discussed her competitions and awards that she received; Piper and Ellie Lindsay, who are from Australia, talked about their placings in the NSW championships they attended. All dancers that I heard from were successful in their placings, and performed beautifully.

The information regarding their performances and competitive endeavors and "Thank you" cards from Olivia Bishop, Brynn Brown, and Beret Dernbach have been forwarded to be published in the An Canach. I hope that the CHS members will appreciate seeing their cards and be more inclined to continue to donate to the Scholarship Program Endowment Fund upon seeing their heartfelt thanks.

Goals for next year:

1. Correspond with Jeff Henderson in Melbourne to have more international students apply for scholarships.
2. After the 2026 scholarship season is over, I want to conduct more interviews with the scholarship winners, gathering more information to be published for the CHS members to enjoy.
