

## South Pacific Region Annual report & budget

### 2025:

- Came in under Budget
- Communicated several times throughout the year with social media and through email to Clan members.
- Only met 50% of my goals due to lack of participation and canceled games .
- Researched and wrote my first article for the An Canach .
- Used AI to photo enhance old photo of Fordel Gargoyle .
- Neil Henderson appointment to South Pacific Regional Clan Piper .
- Steve Brock appointment to be Hawaii's Bodyguard
- Assisted UCR Pipe-band at several events .
- Two Scholarships issued to my region .
- Put forward several for well deserving awards.
- Attended two Galas.

### 2026 Budget Request :

- \$450.00 is being requested for 4 events ( Hawaii, Costa Mesa, Ventura and Pleasanton Highland Games ) .

### 2026 Concerns:

- Membership is down from 817-737 overall and my region is down around 5-7 members from last year . If San Diego Games are cancelled again and if Queen Mary games never come back membership stands to loose more members . The Majority of South Pacific Regions Members are between San Diego and Ventura with at least 10 members in the San Diego area .
- Costa Mesa Scottish Fest , I only had a handful of Members come to tent which was down considerably from previous years and the crowds were smaller .
- We have 3k Facebook members and only 737 signed Members , opportunities missed with marketing ?
- If I do have someone who wants to become a convener what is available to them ?

### 2026 Goals:

- Regain lost membership
- Host several clan tents
- Aid the UCR Pipe-band
- Push forward more Scholarship applicants
- Attend a few Gala's
- Write another historical article for An Canach
