

ANNUAL REPORT

Audrey Trawick Youth Director, October 2024.

Accomplishments:

- Created a downloadable scholarship template.
- Created a Youth Media Release form.
- Reached out to dance organizations, to receive permission to link their website as a recourse tool for the youth. Their website would be linked under the CHS Youth Spotlight Page.
- Was the 2024 Scholarship Chair.
- I have made informational posts on Instagram about the 2024 scholarship application process.
- Conducted scholarship recipient interviews for the An Canach.
- Visited multiple venues: Spokane HG, Celtic Family Jamboree, Mount Dora HG, and the Arizona HG.
- I've submitted updates for the members in the An Canach.
- Created a PowerPoint presentation for the October/November CHS meetings.

Goals:

- To reach out to other Scottish organizations such as: Piping, athletics, and Celtic instruments, to inquire about linking their site on the CHS website, as an informational tool for others.
- I have reached out to the webmasters, and these are the things in 2023/2024 that I have worked on but has not yet been completed: link the websites that I've already received permission to list as a recourse: Scotdance USA, BATD, and SDTA. There is too much information under the youth spotlight page, I would love to clean up/simplify it with resources. We need to make

the new scholarship application form accessible and downloadable on the website, as well as the Youth Media Release Form that was created.

- I have created a step-by-step instructional video, that explains the process on how to go about applying for a CHS scholarship, I would like to put this on the CHS website, but not until the Youth Spotlight page is cleaned up.

Future ideas:

- Go paperless for the 2025 scholarship season. (Who do I need to contact to make this happen?)
- Continue to spotlight the youth.
- Create more activities that the youth can be part of, and have those activities spotlighted through the An Canach.
