

Secretary's Annual Report

In January the 2022 Budget was sent to the Executive Board for review and approval. The email votes were tallied and accepted with six yea and one abstaining.

In July, a Zoom Executive Board meeting was held to review the Scholarship Committee's applicants' nominations. All recommendations were accepted, due to generous donations by the membership, the board decided to increase the amounts to be awarded.

Due to a motion presented and approved at a Zoom Executive Board meeting on January 16, 2021, resolutions would be numbered with the year written/approved and sequentially numbered. The prior resolutions approved in 2020 have been retitled to comply with this motion.
