

AGM Report for the Southeast 2022

The Southeast has returned to the days of regular events. Clan Henderson Society is represented in 20 out of 22 games across the region. The attendance at these games so far this year has been record breaking. We are proud to bring to the Clan “The Clan of Excellence” award from Grandfather Mtn Highland Games. It’s the largest festival in the world lasting four days. Clan Henderson is the first clan in the 66 yrs. of their games to receive this award back-to-back. High Commissioner Brother Dave lead us by example and we all had a wonderful time representing our clan.

We have approximately 260 members in the Southeast. This year we added one new Bodyguard to bring a total of 10. We are still looking for Bodyguards in Florida. Harry Keifer our Head Bodyguard is now the National Head of Bodyguards and Ed Hendricks is now the Head Bodyguard of the Southeast.

This year we had 6 young people to receive a Youth Scholarship from the SE Region. Four Highland Dancers and two Bagpipers.

Respectfully Submitted,

Mary Lane Henderson

Commissioner, SE Region

Clan Henderson Society
